EVIDENCE OF OWNERSHIP

If neither the decedent to be interred nor the person making application for the interment is shown on the records of the Town to be the owner of the burial space requested for the interment, the Clerk shall require the applicant to furnish competent evidence sufficient to demonstrate either that the owner of the burial space as shown on the Town records has authorized the requested interment, or that the decedent or the applicant (or his/her principal) is the successor-in-interest of the record owner of the burial space. In the event that the record owner of the burial space is deceased, the Clerk may, as a condition to issuance of the burial order, require the applicant to hold the Town harmless against any subsequent claims brought against the Town for the same burial space.
